

# Seniors — you could already be admitted to college.

Accept your spot at [NCCollegeConnect.org](https://NCCollegeConnect.org)

- ➔ If you're a senior at a North Carolina public high school, have a weighted GPA of 2.8 or higher and meet the NC College Connect requirements, you're eligible for direct admission to participating colleges and universities.
- ➔ Through NC College Connect, you could be directly admitted to participating institutions in the UNC System, North Carolina Independent Colleges and Universities, and your local North Carolina community college.
- ➔ Instead of navigating the traditional application process, you'll receive a tailored list of schools based on your GPA where you've been offered admission — **no essays, test scores, or recommendation letters required.**
- ➔ All you need to do is log into the **NC College Connect** portal, review your options, and submit a short form to accept your admission.
