If this contribution to your NC 529 Plan is a rollover from another state's 529 plan, a Coverdell Education Savings Account, or a U.S. Savings Bond, you must provide documentation related to the principal and earnings portion of your assets for tax purposes. If we do not receive this information, your contribution will be designated as 100% earnings.

- **529 Plan Assets** (held in another state's plan): Provide an account statement issued by the state's 529 program which shows the principal and earnings of your withdrawal.
- **Coverdell Education Savings Accounts:** Provide an account statement or documentation issued by the account custodian that shows the basis and earnings in your account.
- **U.S. Savings Bond:** Provide an account statement or IRS Form 1099-INT from the redeeming institution that shows the interest which has accrued on the bond.
